03 Declaration of sole responsibility

Craemer Holding GmbH declares on its sole responsibility that the packaging described in this declaration meets the applicable requirements of Regulation (EU) 2025/40 of the European Parliament and of the Council on packaging and packaging waste (PPWR).

04 Object of the declaration

Packaging name	Palette A1 PE hellgrau 4PI 2Pq ARP
Packaging internal code	83501880
Packaging level	Primary
Article reference	Not set
Packaging Description	The A1 plastic pallet is a universally applicable heavy-duty pallet and ideal for use in pooling or retail logistics. Manufactured in a one-piece injection molding process from high-quality PE, it is extremely robust. With a construction height of only 150 mm, the A1 heavy-duty pallet is identical in design to the Euro wooden pallet and offers another practical alternative for automated intralogistics. The flat, closed runners ensure smooth operation on all common conveyor system components in intralogistics facilities. The injected, abrasion-resistant Palgrip® anti-slip pads on the top deck securely hold the load unit in place. The Palgrip® anti-slip runners provide quiet running on roller conveyors and chain conveyors for this durable reusable pallet.

04.1 Packaging Components

Conformity is declared for the packaging as a whole. Components are listed for identification and traceability only; their individual assessment is recorded in the technical documentation.
