Craemer

EU Declaration of Conformity — Regulation (EU) 2025/40, Annex VIII

|                 |                                                |
|-----------------|------------------------------------------------|
| Declaration no. | 83389998c0ecd83c-60a9-4ba6-af84-d205fc06bdba-1 |
| Issue date      | 07/31/2026                                     |

01 Unique identification of the packaging

|               |          |
|---------------|----------|
| Internal code | 83389998 |
|---------------|----------|

02 Manufacturer Information

|                    |                                                          |
|--------------------|----------------------------------------------------------|
| Full company name  | Craemer Holding GmbH                                     |
| Registered address | Brocken Straße 1, 33442 Herzebrock-Clarholz, Deutschland |
| Contact — email    | guido.behrens@craemer.com                                |
| Roles              | Producer and Manufacturer                                |
| Business units     | Craemer GmbH                                             |

03 Declaration of sole responsibility

Craemer Holding GmbH declares on its sole responsibility that the packaging described in this declaration meets the applicable requirements of Regulation (EU) 2025/40 of the European Parliament and of the Council on packaging and packaging waste (PPWR).

## 04 Object of the declaration

|                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

| Packaging Description   | The CB1 pallet box from Craemer is manufactured as a single piece with three runners, resulting in high durability. Additional ribs above the entry openings of the closed outer walls serve as impact protection and increase the CB1 pallet box's resistance to forklift tines. The CB1 features a seamless design and smooth inner walls, enabling easy emptying, simple cleaning, and good drying of this large load carrier. The CB1 is temperature-resistant from -30 to +40 degrees Celsius, temporarily up to +90 degrees, and resistant to most chemicals and cleaning agents. Integrated stacking lugs on the outer corners provide secure support for the pallet boxes during stacking. |

### 04.1 Packaging Components

Conformity is declared for the packaging as a whole. Components are listed for identification and traceability only; their individual assessment is recorded in the technical documentation.

## 05 Statement of conformity

---

The object of this declaration is in conformity with the relevant Union harmonisation legislation: Regulation (EU) 2025/40 (OJ L, 2025/40, 22.1.2025), in respect of the applicable requirements laid down in or pursuant to Articles 5 to 12, as identified in section 05.1. No other Union acts are covered by this declaration.

## 05.1 Requirements applicability and conformity (Art. 5–12)

Conformity as at 12 August 2026. Conformity is declared for the packaging as a whole; the components are listed under point 4.1 for traceability.

| Requirement                                           | Status             |
|-------------------------------------------------------|--------------------|
| Art. 5 — Substance restrictions (heavy metals & PFAS) | Conform            |
| Art. 6 — Recyclability                                | Conform            |
| Art. 7 — Recycled content in plastic packaging        | Conform            |
| Art. 8 — Bio-based feedstock in plastic packaging     | Not yet applicable |
| Art. 9 — Compostable packaging                        | Not applicable     |
| Art. 10 — Packaging minimisation                      | Conform            |
| Art. 11 — Reusable packaging                          | Not yet applicable |
| Art. 12 — Labelling of packaging                      | Conform            |

## 07 Notified body

---

Not applicable. The conformity assessment was carried out under Module A (internal production control) in accordance with Article 38 and Annex VII of Regulation (EU) 2025/40. No notified body was involved.

## 08 Additional information

---

### Regulatory statement

This document is a declaration of conformity prepared in the context of Regulation (EU) 2025/40 of the European Parliament and of the Council on packaging and packaging waste (PPWR). The undertaking issuing this declaration states that the packaging and the packaging components described herein are placed on the market in accordance with the applicable obligations, to the extent reflected in the technical documentation and records maintained under the PPWR.
