Packaging internal code	81941995
Packaging level	Primary

Packaging Description	The SB3 pallet box is optionally available with either three runners or nine feet. The extremely stable runner or foot attachment of the one-piece manufactured SB3 ensures exceptional durability and guarantees secure tip-emptying via a forklift rotary clamp in the runner version; additional ribs over the entry openings provide the SB3 pallet box with increased impact protection against forklift tines. The seamless construction and the straight, smooth interior surfaces of the large load carrier allow for optimal filling and equally easy emptying. Cleaning and subsequent drying are also effortless with the SB3 pallet box. The continuous stacking ledge at the upper and lower edge areas additionally makes the SB3 compatible with a wide variety of other pallet boxes.
