

Quality, the best value.

# *Palgrip*<sup>®</sup>

Ready for all challenges.

Quality, the best value.

## Non-slip, safe, reliable.

Original **Palgrip**® pallets from Craemer offer unparalleled smoothness and tracking on roller co resistance on the deck or under the runners. The high quality **Palgrip**® grain structure ensures a solution to your logistical requirements. **Only available from Craemer.**

The **Palgrip**® anti-slip coating is resistant to cold and heat, from -30°C to +40°C.

Compared to common plastic surfaces, Craemer **Palgrip**® anti-slip sheets offer absolute slip resistance even in high humidity thanks to their high quality grain structure.
