

How to find us

The head office of the Craemer Group is located in the East-Westphalian town of Herzebrock-Clarholz to the South West of Bielefeld and Guetersloh on the edge of the Münsterland region.

The best way to get to Craemer is on the motorway A2. Take exit “Rheda-Wiedenbrück” and then follow the road “B64” to the North-West into the direction of “Warendorf” and “Munster”.

You will arrive in Herzebrock after about 8 km.

Please note that Craemer has an extra access road for heavy goods vehicles which turns off directly from the B64 before the road enters the town of Herzebrock!

Craemer’s administration building is accessible from the Brocker Street at the town’s entrance.
